Feyenoord Rotterdam  
Attn. Mr Martin van Geel

Your reference: UEL/SHA  
Regarding: Official Request

Dear Mr van Geel,

I would like to thank you for the warm welcome that Manchester City received on our visit to your home stadium on 13th September for our opening UEFA Champions League fixture of this season's campaign.

For match day five of the UEFA Champions League, following consultation with relevant stakeholders, we are unable to increase the total number of allocated away tickets above 2,700.

To ensure that both home and away fans have a safe and enjoyable match day experience we would ask that you advise any travelling supporters without tickets to avoid visiting the Etihad Stadium on match day.

We look forward to hosting Feyenoord Rotterdam and your supporters at the Etihad Stadium.

Kind regards,

**Ferran Soriano**  
Chief Executive Officer
